## Ali helping our local Hedgehogs

It's difficult to think that's something covered in thousands of tiny spikes would need your help so much, however it's true. Our local Hedgehogs are being killed or injured at a frightening rate and **Ali Newman** who is a regular user of the **Oasis Centre** has set up a small rescue centre to help Hedgehogs if they have been hurt. If you are interested in helping or donating money to help support the Hedgehogs, please contact 07711514805. If you have a Hedgehog in your garden and want to feed it only use cat food and water as bread and milk will harm the animal. Also please don't use slug pellets as it will kill the Hedgehog and why use them? As hedgehogs love to eat all your garden pests!
